4. FBO update- none, not in attendance
5. WAAAM Update -Steam tractor is back., not too busy.
6. Glider Update
 - i. Discussed Port purchasing new prop. AAC does not support an outright purchase but does support the idea. Maybe Port could loan them the \$, pay for a portion of it? Open to ideas.
7. New Business
 - i. Noise meeting update
 1. The AAC will weigh in on the 2nd. Then it will go to the Commission. Not a final draft, just a progress report. Will likely go back to the noise group, then to AAC. This is a fluid process
 - ii. East side hangar configuration and discussion
 1. Anne will send out the configuration for next meeting
 - iii. Commercial hangar discussion
 1. Same as above
8. Misc.
 - i. All ok with the 6% hangar rate increase

Port of Hood River

Providing for the region's economic future.

- ii. Want to know where the \$30,000 cares act funding went. Want to put it towards the anemometer move. This is a big deal to the AAC!
- iii. John Benton thanks the Port for crack sealing Air Museum drive.
